

- All Harden Contract Products with exposed wood are constructed of solid cherry and are available in these finishes.

- It is generally possible to match any special finish at an additional charge of 15%. Please submit a color panel with your order. Harden will return your original panel along with a numbered custom matched panel.

- Catalyzed lacquer is standard on all products. This finish is specially formulated to provide extra durability in the office environment and is hand-rubbed to a soft, satin sheen. Detailed specifications on the catalyzed finish are available by contacting the factory.

- Global Resistovar™ is available at a 10% up charge. This finish offers superior chemical, water, mar and UV resistance. Detailed specifications on the Resistovar™ finish are available by contacting the factory. Note: Available only in satin sheen.

- All Harden products should be maintained regularly by simply dusting with a damp cloth. Polishing is only recommended on a quarterly basis. When polishing, use only high quality, non-silicone product. Please review the care and maintenance tag shipped with the product.
